25X1X

SOURCE

1. The 28th Arty Regt in LOWICZ (Q 53/P 27) was issued new guns in mid-November 1949. The regiment received fourteen 122-mm howitzers, seventeen 76-mm guns, and four other guns of undetermined caliber.
2. The former regimental commander was replaced by a Soviet officer with the Polish name.

25X1X Comment:

The 28th Arty Regt was first identified in LOWICZ in September 1949 [REDACTED]

25X1X

25X1X The report cannot be considered confirmation of the 28th Arty Regt. The issuance of new guns to the regiment (presumably Soviet guns according to the stated calibers) and the appointment of a Soviet officer as regimental commander are not considered unusual.

This document is hereby regraded to **CONFIDENTIAL** in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
